BARCELONA
BRIDAL
FASHION WEEK

FASHION, CREATIVITY and DESIGN are our passion.

We are ART, CULTURE, BEAUTY... and also the harmonic sum of opposites:
crafts and industry, tradition and modernity, feelings and business, the local and the global.

We seek to be different, daring, provocative... viewing each piece as **UNIQUE** and
PRECIOUS, whose core value lies in the talent of everyone who has been involved in creating it.

We love **BARCELONA**, it is our home. A home open to the world. And it is also the perfect setting
for **FASHION TO SHINE**, featuring high-profile events with international reach.

We advocate fashion as an **ART COMMITTED** to **PEOPLE** and
their **ENVIRONMENT**. A means of **SOCIAL**
TRANSFORMATION which creates a **MORE BEAUTIFUL**
and **BETTER WORLD**.

And so, we need to constantly reinvent ourselves, looking everywhere for **INSPIRATION**,

engagement and partnerships. We are Valmont Barcelona Bridal Fashion Week and **WE**
ENCOURAGE CREATORS, DESIGNERS,
ARTISTS AND IDEAS ENTHUSIASTS to join our dream.
